NeighborWorks Lincoln is Moving

Lincoln, Nebraska, Monday, July 13, 2009 - On July 13th NeighborWorks Lincoln is moving the north office to 2240 Q Streets. This will be a temporary location for our office while our new building is being constructed at 23rd and P Street.

As part of the Antelope Village housing Development we are building a new office space that will also have some commercial space and 8 condo units on the 2nd and 3rd floor. Ground breaking for this project will start in August 2009. So while we are waiting for the new building we are located in an old LPS portable unit provided by the City of Lincoln, Urban Development Department.

Michael Snodgrass, Executive Director of NeighborWorks Lincoln says, “we are pleased to be able to assist with the overall Assurity Insurance project by temporarily relocating to 2240 Q. The temporary site will allow us to be in the heart of one of our target neighborhoods (Malone) and will also be directly across the street from our major construction site, and the site of our permanent office.”

Although the location will change, our services will remain the same. Staff located at this office include: Michael Snodgrass, Executive Director, Mary Coffey, Director of Homeownership Promotions, Liz Laschanzky, bookkeeper, Gary Rumbaugh, Housing Construction Manager, Serena Reeves, Homebuyer Educator, Claire Ellis, Executive Assistant, Shawn Ryba, Community Organizer and Bill Porn, Administrative Assistant. The phone number, 402-477-7181 will remain the same at our new location and our website at www.nwlincoln.org is the same as well. Please drop by our new office and visit us!

NeighborWorks® Lincoln is a non-profit, community-based housing organization dedicated to community revitalization through an active partnership of resident leaders, private businesses and public officials.
