## Staff Changes

Grant Daily was hired in July as a full-time Community Specialist. He is currently working towards the completion of his Master's in Community and Regional Planning (MCRP) at the University of Nebraska at Lincoln. Grant holds a Bachelor of Science in Sociology from the University of Nebraska at Omaha, achieving the Certified Nonprofit Professional Credential. He has previously worked in political organizing, as

well as completed research on quality of life among rural, ethnic-minority populations in Nebraska. His interests include community planning and development issues such as affordable housing, community participation, food security, and public health.

Welcome to the team, Grant!

## Volunteers Clean Up the Neighborhood

Volunteers from Doane University cleaned up a lot on 23rd & T Street... on one of the hottest days of the summer! We would like to extend a huge thank you for giving their time and energy to make our neighborhood a safer and more beautiful place.

If you are interested in setting up a volunteer experience, please contact Pat Anderson at 402-477-7181 x 106 or [pat.anderson@nwlincoln.org](mailto:pat.anderson@nwlincoln.org)

Please note: We do not have a specific volunteer program, so there are not always readily available opportunities; however, we would love to share any possible volunteer opportunities that may be available at the time, or may be available in the future. Many hands make light work!
